"The world is little, people are little, human life is little. There is only one big thing — desire."
Published in 1915 and set in the 1890s, *The Song of the Lark* tells the story of Thea Kronberg, a gifted young singer who blazes her way into the world's greatest opera houses.
Western town, where she is one of seven children. Following an artistic awakening at an Arizona canyon, she eventually f...
